Dear Mr. Bose,

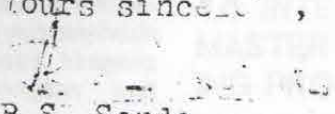

Sub: Admission of candidates with Grad IETE for  
Academic programmes in the Institute

----

Thank you for your kind letter No. IETE/753/85 dated 22nd January 1985 in connection with the above matter. I have pleasure in enclosing herewith an admission announcement of our Institute for the Session 1985-86, which clearly spells out that Grad IETEs can now be admitted to our M.E./M.Tech Programmes in the Institute. There is a separate announcement being issued by the Institute in connection with the Research Programmes in the Institute very soon, wherein also Grad IETEs are eligible for admission. I hope this will serve to give you enough documentary evidence to inform all the student members of the IETE of this possibility.

Thanking you and with kind regards,

Yours sincerely,

  
B.S. Sonde
