SUB : Request for Recognition of IETE Courses for DRDO Recruitment

Reference your letter No. IETE/738/2014 dated 07 May 2014 addressed to Dr Avinash Chander, Scientific Advisor to Raksha Mantri & DG DRDO.

2. It is intimated that RAC considers AMIETE equivalent to Bachelor's degree in Engineering for recruitment as scientists under DRDS Cadre in DRDO. Further it is also informed that there is no bar for candidates having AMIETE qualification for promotion to next higher grades in DRDS Cadre. In view of this, the contents of Para 1(vi) of your letter under reference are not clear.

3. It is requested that the details of any specific case brought to your notice may kindly be sent to this organization for further examination of the matter, if required.

(Anil Malhotra)
Joint Director
For Director RAC
